

REMARKS

This communication is responsive to the Office Action dated October 25, 2010. A statement of the status of the claims and support for claim changes, as required by 37 C.F.R. § 1.173(c), is provided in a separate paper. Claims 1-15, 17-32 and 64-71 are currently pending and stand rejected for being based upon a defective reissue oath/declaration, but are otherwise allowable. Reconsideration of the claims is respectfully requested in view of the following remarks.

Defective Reissue Oath/Declaration

Claims 1-15, 17-32 and 64-71 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251. Applicant submits herewith a supplemental reissue oath/declaration executed by all inventors. The supplemental reissue oath/declaration describes the errors upon which the reissue is based and that the errors in the reissue application arose without deceptive intent on the part of the Applicant. In view of the foregoing, Applicant respectfully requests withdrawal of the outstanding rejection and allowance of all pending claims.

CONCLUSION

As it is believed that all of the rejections set forth in the Office Action have been fully met, favorable reconsideration and allowance are earnestly solicited.

If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that the Examiner telephone Applicant's attorney at (908) 654-5000 in order to overcome any additional objections which he might have.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.
